Make Climate Change Your Business

You may have seen Al Gore's Blockbuster "An Inconvenient Truth" with the climate change challenge this sets out. Come along to East Midlands Expo 2007 to find out what you can do about climate change and see how much is already happening around your region

Come and see how the East Midlands is working to help combat climate change

- Visit around 80 exhibitors including a farmers market - learn about a wide range of carbon and sustainable products and services
- Benefit from the vast amount of knowledge available under one roof
- Attend workshops and seminars about climate change, including building for the future, sustainable procurement, local food and farming
- Develop business opportunities and new partnerships
- Be part of the region's biggest sustainable development event of the year
- This event is open to all, but will be of particular interest to local authority members and officers, local and regional businesses, local strategic partnerships and the third sector
